---

PROFESSIONAL SUMMARY

I love bringing websites to life with clean code and creative designs. With experience in HTML, CSS, JavaScript, and frameworks like React, Next.js, and Tailwind, I build fast, responsive, and user-friendly web experiences.

I'm the kind of developer who gets excited about solving tricky bugs or learning a new technology whether it's optimizing performance or crafting smooth animations. At the end of the day, I just want to build things that work well *and* look great.

TECHNICAL SKILLS

- Programming Languages & Frameworks: HTML5, CSS3, JavaScript, Bootstrap Framework, ReactJs, Next.js, Typescript, Tailwind

- Collaboration & Soft Skills: Team Leadership, Problem-Solving, Effective Communication

- Additional Skills: Debugging, Cross-Browser Compatibility, Performance Optimization

PROFESSIONAL EXPERIENCE

Front-End Developer
Spraditech – Lagos, Nigeria
May 2023 – Present

- *Developed responsive web pages using **HTML, CSS, JavaScript, React.js, Next.js, TypeScript, and Tailwind CSS**.*

- *Designed features for mobile and desktop platforms, tailored to client specifications.*

- *Resolved technical issues, ensuring **timely project delivery** and code quality through **Git**.*

This role sharpened my skills and shaped me into a proficient front-end developer capable of delivering highquality, user-focused solutions

Front-End Developer Intern
HNG Internship – Remote
January 2025 – April 2025

- *Collaborated on building user-friendly interfaces with **JavaScript, React.js, Next.js, TypeScript, and Tailwind CSS**. Using UI libraries like Shadcn UI, animation librabries like Framer Motion.*

- *Gained hands-on experience with **Git**, improving project management skills.*

This internship taught me how to collaborate effectively with other developers, shaping my ability to work in a team-oriented environment. I became a finalist and had the opportunity to work on a real-world product, ShopDesk. Click here to view my certificate
